## VOTE FOR ME.

## C. E. HENSLEY'S POSITION.

The office of Jailer is the first I have ever asked at the hands of the good and loyal people of Lawrence county. I ask your vote only for one term of four years. I do not believe in a life tenure in office. I believe it is repugnant to the principles of all parties. There are others who are entitled to recognition, and my idea is a four year term is sufficient for any man for jailer. If you nominate and elect me I assure you that my acts as jailer will be such that you will never be ashamed that you voted for me. If elected I assure you I will keep the jail and premises in a clean and sanitary condition. C. E. HENSLEY.

## NOLAN, W. VA.

Charles Barrett, manager for Cole & Crane Co., who is doing a large lumber business on Swing Camp branch of Big Creek, was host to a party of young merry-makers. Mr. Barrett had a flat car fitted up and attached to a log train which makes two round trips daily between a point opposite Nolan to a large saw mill a mile above the mouth of the creek. It requires about an hour each way to make the trip, the distance being about six miles. As the little train labored down the circuitous wooden track not unlike a huge reptile, the passengers enjoyed the surrounding forest with quartette songs and their merry laughter. Mrs. Barrett chaperoned the excursion and fulfilled her position with charm and grace. The party provided themselves with large baskets of eatables and at the Swing Camp terminal all enjoyed a grand picnic under the cooling shade of a giant oak.

Passenger list follows: Mr. and Mrs. G. C. Murphy, of Naugatuck, Mr. and Mrs. G. W. Murphy, of Pittsburgh, who are on two weeks' vacation visiting their parents, Mr. and Mrs. G. C. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and restoring nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
